Case # 18-16016-jfk

RE: Request for assistance/meeting

Dear Honorable Judge FitzSimon;

I was instructed by the bankruptcy clerk's office to write you a letter to have my questions and/or concerns answered and/or addressed. So I would like to first thank you for your time, understanding and consideration.

Saturday, 15th December 2018 I received a mailing from KML Law Group, PC of California, the apparent law firm representing a secured creditor. This mailing was dated 11th December 2018 with a postmark of the same date, from California.

In this mailing, a hearing date of December 12th is referenced with no time or courtroom number. I do not see how the law firm expected me to receive the mailing in time, to properly respond and/or appear for any hearing mailing the parcel one day before a hearing; which I am still at a loss of where it was held and for what purposes.

I am at a loss, because during the hearing on the 28th November 2018, I was informed that the meeting of creditors would be reassigned and my next hearing date would be in February 2019. I have yet to receive any other notices to date.

Is there a court liaison or person I can speak to that will discuss my filing; with the understanding that legal advice will not be discussed by your staff.

As a disabled single father I cannot afford to lose the home. I am only trying to do what is right and if I need to file any amendments' to my filing, schedules, etc., I fully intend to comply with any/all directions from the honorable court.

Thank you very much for your time, consideration, understanding and compassion.

Respectfully,

Allen E. Windrim
